### **We offer**

We have salaries to motivate you, bonuses for your performances, medical services to keep you safe and sound, meal tickets to use them wherever you want and free access to relaxing and fitness room. But most of all, we guarantee you'll enjoy our atmosphere and working environment.

Ubisoft is a leading producer, publisher and distributor of interactive entertainment products worldwide. With more than 6700 employees, and 26 studios in 18 countries, Ubisoft has the second largest internal creation force in the world.

Ubisoft Bucharest is the first Ubisoft production studio outside France. The Romanian adventure, which began in 1992, has turned into an exciting success story where Production, Test and Information Technology Department are its driving force.

Ubisoft Craiova is the second Ubisoft studio opened in Romania. Since 2008 the studio is continuously growing and facing new challenges developing video games, middleware and tools.
