Kautex Craiova Office

***How to join ?***

Complete the survey & let the fun begin !

This workshop is officially recognize as your mandatory summer practice.

Take your chance & discover what the future might bring!

Kautex is a global Tier One automotive supplier with over 30 plants in 13 countries. We are pioneers in designing and producing plastic fuel systems and battery enclosures for hybrid and electric vehicles, as well as components for autonomous driving.

Join us for a **5-day Summer Workshop** at our Craiova office, where you'll gain hands-on experience with real automotive technologies, take part in technical sessions, factory tours, and team challenges, all led by our industry experts.

We can't wait getting to know you and share more about our values and culture.

APPLY NOW!

By end off day 27.06.2025
